My dear parishioners, the Eucharist is a source and summit of Christian life and the reception of Holy Communion is of pivotal importance to all Christians. Due to COVID 19 safety regulations and the concerns of parishioners may I kindly urge those parishioners who wish to receive communion on the tongue to please receive the Eucharist at the end of communion. I thank you all for your understanding and co-operation. **Fr Leonard Caldera**

From your Administrator

My dear Parishioners,
Monthly activities and happenings in the Parish this month of June:

June is considered the **month of the Sacred Heart of Jesus**, and thus we have many activities organised to spread this devotion through this month of June, starting with our weekly adoration every Friday as well as the following activities organised in our parish.

The Annual Eucharistic Procession on the streets of Hobart takes place this Sunday the 6th of June from 12.45pm onwards, I encourage you to be part of this public witnessing of our devotion to our Lord in the Blessed Sacrament. Let us pray for healing and protection of our families and society during these uncertain times.

I am happy to announce that the yearly Deacons Mass was held on Saturday the 5th of June at 11am, at St Mary's Cathedral officiated by Archbishop Julian. We wish all four of our deacons serving in the Archdiocese, God's continued blessings in their ministry.

The Sacramental programme for our children began last weekend, as they prepare for the reception of the Eucharist, in their First Holy Communion. Please keep them and their parents as well as our catechists in your prayers for the next few weeks. They will be receiving this Sacrament on the 27th of June during the 10.30am Mass.

The parish has also organised a parish wide study called Presence – the mystery of the Eucharist, on the Formed online platform, it starts on the 21st of June, further details in the next issue of the AVE.

As you are aware the Tasmanian Government from 1 May 2021 requires the use of the free 'Check in TAS' app to collect contact information of all people (aged 16 years and older) who spend time at our Churches. I would like to encourage all to download this app into their phones, for the safety of all who use our facilities.

Fr Leonard Caldera.

Corpus Christi Sunday

God's Touch of Kiss and Embrace for Humanity

When words can no longer correct a mischievous child, we resort to the ancient gesture of human touch. It could be a consoling touch of hands, a pat on a shoulder or a gesture of embrace and kiss. A baby crying may not understand what consoling words are, but when we begin to carry and hold him or her into our arms, certainly, the baby will stop from crying. Touch has its power.

There is no need for me to give a physical description or a thesis dissertation to explain the meaning of kiss and embrace. A kiss is simply a kiss; and an embrace is simply an embrace which is originally, an expression of human touch. Similarly, when God reveals himself to us in the form of bread and wine, He wants us to be touched and to be felt. It may require a metaphysical explanation but most importantly, it is physically and visibly seen as bread and wine. By faith, we believe that it is the Body and Blood of Christ.

The feast of Corpus Christi reminds us of the love that God has for us. He wants to reach us by a kiss and an embrace. The Corpus in the form of bread and wine is tangible to remind us that God comes in humility, so that we can handle and touch Him physically. The bread is a simple bread, not in a form of a delicious cake, or a sweet pudding or an expensive pastry, to remind us of the simplicity of the loving "Real Presence" of God revealed to humanity. A God who longs to kiss and embrace His creatures.

Every time we come to the Eucharist, receiving the bread and wine, we are reminded by the human encounter and an embrace by a loving God. A God who is All-powerful, that out of love, allowed humanity to be embraced by Him. Undeserving as we are, we can have access and receive Him through our mouth as food for our whole being which made available for us.

The feast of Corpus Christi is a celebration of a great love, an encounter that through the simplicity of bread and wine, God allowed Himself to be reached, as the Corpus reminds us of God's kiss and embrace.

Solemnity of the Sacred Heart of Jesus 1th June 2021

The devotion to the **Most Sacred Heart of Jesus**, (*Sacratissimum Cor Iesu* in Latin) is one of the most widely practised Catholic devotions. The Feast of the Sacred Heart is celebrated on the Friday after the Corpus Christi octave. St. Margaret Mary Alacoque had a personal revelation involving a series of visions of Christ as she prayed before the Blessed Sacrament. She wrote, "He disclosed to me the marvels of his Love and the inexplicable secrets of his Sacred Heart." Christ emphasized to her His love and His woundedness caused by Man's indifference to this love.

St. John Paul II, a great devotee of the Sacred Heart, said, "This feast reminds us of the mystery of the love of God for the people of all times." Jesus exhibits to the world His Sacred Heart as the symbol of God's infinite love - the symbol of His own generous self-sacrificing love for men.

The devotion to the Sacred Heart is the real, physical Heart of Jesus - the Heart of flesh, the living and loving Heart of our Blessed Lord; the Heart that beat in His Divine breast at the moment of the Incarnation; the Heart that loved us during the life of Jesus on earth, that poured forth its blood to the last drop on Mount Calvary; the beatified Heart now glorious in Heaven and still dwelling among us in the Blessed Sacrament.

Cathedral Restoration Works Update

The restoration process is continuing and reached an important milestone with the recent lodgment of the necessary development application with the Hobart City Council. The Tasmanian Heritage Council has since reviewed the material and following a request for some additional information has indicated that it was satisfied for the application process to progress. Meanwhile the eastern transept, beneath which is interred the remains of Fr Conolly, and Archbishops Murphy, Delany, Barry and Hayden, underwent some hi-tech scanning in an attempt to inform a precise location of the tombs and the depth and integrity of concrete encasing them ahead of planned works to relocate the remains to the now established cathedral crypt.
